

# We're rolling up our sleeves to exercise emergency preparedness. Please join us and receive a **FREE FLU SHOT.**

On Saturday, Nov. 17, the El Paso County Department of Health and Environment will be conducting an **Emergency Exercise** to test operational readiness and response in the event of a large-scale Public Health crisis, such as a flu pandemic.

Public participation is essential to the success of this exercise, and free flu shots will be provided in exchange for your attendance.

**Note:** Participants must be at least 3 years of age, and children under 18 must be accompanied by a parent or legal guardian. Free flu shots will be offered on a first-come, first-served basis while supplies are available. Please visit the Health Department's website at [www.elpasocountyhealth.org](http://www.elpasocountyhealth.org) or call (719) 578-3215 on or after Nov. 12 to confirm day-of operations.
